

# Price List

## Included in price:

- Mobile APP with POD (Proof of Delivery) and Prima Data service (available e-catalogs)
- Cloud infrastructure, backup, and recovery - using the Microsoft Azure Services 99.99% uptime
- All Prima users can be set up on the system - only those using the system simultaneously count as 'a seat'.
- Prima Users do not require expensive servers and network support for Prima Cloud - it's all included!

## Additional Cost:

- Punchout onboarding and support (as per quote)
